Taking note of the letter dated 28 September 2006 from the Chairperson of the Advisory Commission of the United Nations Relief and Works Agency for Palestine Refugees in the Near East addressed to the Commissioner-General,[2]

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,[3]

Recalling also the Convention on the Safety of United Nations and Associated Personnel,[4]

Affirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,[5] to the Palestinian territory occupied since 1967, including East Jerusalem,

Aware of the continuing needs of the Palestine refugees throughout the Occupied Palestinian Territory and in the other fields of operation, namely Jordan, Lebanon and the Syrian Arab Republic,

Gravely concerned about the extremely difficult living conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, resulting, inter alia, from the loss of life and injury, the extensive destruction caused to their shelters, properties and vital infrastructure and the displacement of the Palestine refugees,

Aware of the extraordinary efforts being undertaken by the Agency for the repair or rebuilding of thousands of damaged or destroyed refugee shelters and for the provision of shelter for those refugee families internally displaced as a result of recent Israeli military actions,

Aware also of the valuable work done by the refugee affairs officers of the Agency in providing protection to the Palestinian people, in particular Palestine refugees,

Gravely concerned about the endangerment of the safety of the Agency's staff and about the damage caused to the facilities of the Agency as a result of Israeli military operations during the reporting period,

Deploring the killing of thirteen Agency staff members by the Israeli occupying forces since September 2000,

Deploring also the killing and wounding of refugee children, including in the Agency's schools, by the Israeli occupying forces,

Expressing deep concern about the policies of closure and severe restrictions that continue to be imposed on the movement of persons and goods throughout the Occupied Palestinian Territory, including East Jerusalem, as well as the continued construction of the wall, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem, which have had a grave impact on the socio-economic situation of the Palestine refugees and have greatly contributed to the dire humanitarian crisis facing the Palestinian people,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement of the Agency's staff, vehicles and goods, and the harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide its essential basic and emergency services,
